

WE'RE NOT YOUR AVERAGE PRINTER

Millnet doesn't just produce wonderful digital print; it also goes the extra mile with the following services:

- Wide format colour print, mounting and encapsulation
- Variable print and personalisation
- Fulfilment and mailing
- Financial print
- Large-scale reprographics over a 17,000 sq ft production area
- Extensive scanning facilities including e-bible preparation
- Volume print from disc, USB or any other format

Millnet

EXCELLENCE AROUND THE CLOCK

Millnet provides high-end digital print and document finishing services across London to a broad client base spanning multiple market sectors.

We do this 24/7 from our secure production facility in the Central London. The nimble Millnet Digital team is just as happy offering useful advice on the best way to tackle your print, as it is printing and finishing your work; before delivering it back to you in one of our dedicated Millnet vans. We take care in every aspect of your job so that you can forget about it and concentrate on what's important in your working day.

PRESSES TO IMPRESS

Millnet owns two iGen 150 digital presses. Capable of printing up to 150 pages a minute, the iGen machine represents a huge advance in printing technology:

- Incredible colour reproduction meeting exacting Pantone standards
- Upgraded software that produces near-litho quality midtones and shadows
- Can print on a flat sheet size up to 660 x 364mm
- No more glossy looking prints; the iGen 150 produces a far more natural looking matt finish
- More environmentally friendly with practically zero emissions

OUR SURVEY SAID

A survey of Millnet Digital's overall service and products produced a flurry of positive responses from our clients. They were particularly vocal about:

The prompt, friendly, consultative approach we take and our expert knowledge on all things digital print

Their complete trust in us to deliver quality printed materials day or night

How we take time to understand their markets and what they're trying to achieve

Our secure bio-metric central London location and its extensive print and finishing capabilities

"Millnet never fails to be a highly reliable partner, especially when it comes to those ever-present last minute requests! Unflappable and understanding to the end, nothing is ever too much trouble or unachievable"

RIK MORAN
Creative Director
Blackbridge Communications Ltd

"Millnet's printing and production services are the best in the business. They not only listen but work with me to solve problems. And the work that they produce is in a class of its own"

ELIZABETH PATON
Director of Investor Relations
King Worldwide

"The Millnet Digital staff are professional, trustworthy, and always provide accurate, prompt and courteous service"

ASH KOTECHA
Director of ICH Events
Institute Of Child Health

PLACING YOUR PRINT WITH US IS EASY

Email digital@millnet.co.uk with your high res PDF artwork stating copy quantity, deadline and delivery address

We'll inspect your artwork and get back to you if we have a query

If everything checks out OK your job will be sent to one of our presses and printing can begin

Once printed we can either perfect bind, saddlestitch, wirebind or crease and fold the finished documents

Once completed we will box up your gleaming documents and deliver them straight to your door: day, night or weekend
